MY HUBSPOT SCREEN

The screenshot displays the HubSpot CRM interface. On the left is a dark sidebar with navigation links: Bookmarks, Workspaces, CRM (highlighted), Marketing, Content, Commerce, Automations, Reporting, Data Management, Library, and Breeze. The main area is divided into three sections. The top-left section shows the 'Inbox' with filters for 'You're available' (checked), 'Unassigned' (1), 'Assigned to me' (0), 'All open' (1), and 'Chat' (1). The top-right section shows a live chat conversation with 'Maria Johnson (Sample Contact)', a salesperson at HubSpot, created a month ago. The chat history includes a 'Welcome message' and a 'You connected chat' notification. The bottom section shows a 'Live Chat' input field with a message placeholder 'Write a message. Press '/' or ...'. The right sidebar shows contact details for Maria Johnson, including email (emailmaria@hubspot.com), phone number, contact owner, last contacted date (01/10/2025 9:56 PM GMT+1), lifecycle stage (Lead), and lead status.

The screenshot displays the HubSpot CRM interface showing a list of companies. The top section shows the 'Companies' list with 2 records. The table has columns for Company Name, Company Owner, Create Date (GMT+1), Phone Number, Last Activity Date (GMT+1), and City. The table contains two rows: 'Floralmed' owned by 'Oluwasola Odusanya (r...)' and 'HubSpot' with 'No owner'. The bottom section shows pagination controls: 'Prev 1 Next' and '25 per page'.
